EDUCATION QUALIFICATION

BACHELOR DEGREE [2020-2023]

- Have done Bachelor of Science from Sri Surya Degree College, Nagari

Intermediate [2018-2020]:

- Have secured 97% in Higher Secondary Board from Kosala Sanjeevi College, Nagari

SSLC [2009-2018]:

- Have secured 9.8 CGPA in SSLC from Vasishta Vidyalaya, Nagari

Projects:

Online Address Book [Using PHP and MySQL]:

- In this Project using Xampp Software, I individually created database in PhpMyAdmin and performs CRUD operations by add a new user menu, view User by id or all users, Update existing user by id and delete user if you want by id or button on view all users. Any changes made in the form automatically updated in the database

Hospital Management System [Python&MySQL]:

- In this project, I used to create database and tables for Doctors, Patients, Co-Workers in workbench through which Doctors have three parameters namely Name, Experience and Expertise in. Patients have also three parameters namely Name, Age, Treatment they went for. Co Workers have also three parameters namely Name, Qualification and position they are working. If we made changes In the python input values it automatically reflects change also in the database Table.

Accomplishments:

- Have received certificate on CRT Aptitude Test by Andhra Pradesh Government
- Have done short Term Internship on Python for 45days in Employment Express Ver band
- Have received award for securing first rank board exam from college.
